\*Most health policy in Northern Ireland is devolved, a number of health issues are, however, wholly or partly reserved to Westminster.

BEIS - Department for Business, Energy & Industrial Strategy

\*\* Some responsibilities extend to England alone due to devolution, while others are reserved or excepted matters that therefore apply to the other countries of the United Kingdom as well.

UKRI – UK Research and Innovation

NIHR – National Institute for Health Research

DfT – Department for Transport

\*\*\* The devolution of transport policy varies around the UK; most aspects in Great Britain are decided at Westminster.

DOE – Department of the Environment
